

Procedure for extension of medical visa of an international patient

- ❖ As the duration of treatment varies, the medical visa is extendable.
- ❖ Visa extension should be on the advice of the treating doctor in the hospital letterhead duly signed by him and countersigned by Medical Suptd on the application made by the patient.
- ❖ Treatment documents along with the hard copy of the letter need to be submitted to Intelligence section, Office of Police commissioner.
- ❖ It is the duty of PRO to co-ordinate with patient, consultant, Medical Suptd, HR dept and ward
